

PSYCH-K® BASIC WORKSHOP

Canyon Ferry Lake - Helena, Montana

May 20-21, 2010

At Your Beliefs Matter, we help you turn wisdom into habit, insight into reality. Using PSYCH-K,® you learn to reconnect your three minds: the conscious, subconscious and superconscious. You'll use permission protocols to ensure the healing you do is in your highest and best interest!

In this Workshop you will discover your body/mind's inner wisdom and its extraordinary ability to change lifelong negative beliefs into positive ones. You'll come away with a set of tools you can use for the rest of your life to become the best, most Divine version of you!

Learn	How to communicate with your subconscious mind
Discover	How to describe your goals and desires so your subconscious can understand
Experience	The life changing effects of the New Direction and Resolution Balances
