## 24 Karat Chocolate®

With the commercialization of chocolate came the introduction of impure, money-saving ingredients. The “food of the gods” became adulterated with refined sugar, wax, lard and hormone-treated dairy products. These cheap fillers are the reason chocolate is often associated with poor health and a feeling of guilt. With 24 Karat Chocolate®, ForeverGreen returns chocolate to its roots. Only the finest organic ingredients are used to create smooth, delicious dark chocolate. Health and happiness are the only side effects you will get!

### ❄️ Limited Holiday Edition

### Spiced Fondue Chocolate

Add 1-2 drops of White Dragon or peppermint oil into melting Fondue Wafers to create a wonderful aromatic holiday flavor.

### Spiced Hot Cocoa

### Spiced Mocha

You don't have to be a barista to make this seasonal treat. Simply melt 4-6 Fondue Wafers in your favorite cup of coffee. Add five to ten drops of White Dragon or 1-2 drops of peppermint oil. For an added flare add a little whipped cream with a dusting of cocoa on top.
